

EXECUTION OF THE WILL OF _____

The Testator and the two witnesses were all present during the Will's execution and no one entered or left the room during the procedure.

The Testator stated in the presence of the witnesses:

"I have read this, my Last Will and Testament, and it expresses my desires as to the disposition of my property upon my death. I ask the two of you to witness the signing of my Will."

The Testator then signed the Will.
